Wanted, 25 Fords
The demand I have for used Fords is so great that it is impossible to keep an adequate supply on hand. I now have many people waiting for Fords of every description.
I need a few 1920 models with self starters.
Bring your Ford here for quick action, we get the most cash possible.

Our Used Car Sales Policy
We are not in the used car business for profit. We do not buy cars for cash to sell on speculation. Our new car department is conducted only as a convenience to the new car buyer who prefers to trade in his old car to us at the proper depreciation, rather than to dicker with the average second-hand dealer to see how much he can get for it.
